

GB Rowing Senior/U23 Assessments and Trials – 2010 Season

The October and December Assessments will be held at Boston and follow the same pattern as the 2009 season. The October Assessment will include the BUCS small boats divisions.

In February 2010 the Assessment will be run over 1½ days at Dorney in this provisional format:

1900m Time Trial

2000m Semi-Finals

2000m Finals

This will build on the successful experience of this format with the Men's November Sculling Test and the testing for Women/Lightweights this year in February following the 3rd Boston Assessment. Our objective is to gain more accurate performance information ahead of the GB Rowing Senior Trials. The January Ergo test will be over 5k for ALL squads in 2010 – this is a change for Women & Lightweights.

The dates will be:

1st Assessment (Boston): Sat 24 October 2009
