

Leander Club

GRADUATING NEXT SUMMER OR TAKING A YEAR OUT?

Are you interested in taking your rowing to a higher level?

Contrary to popular belief rowing at Leander Club is open to male and female rowers in open and lightweight categories that have aspirations to row at a high level.

We would like to invite students who are graduating from university together with students taking a year out before going up to university to contact us.

Our success story

Leander has an outstanding record of developing athletes for the GB National Teams. Thirteen Leander athletes won medals at the Beijing Olympic Games. The Club's tally at Olympic Games since 1976 is: 23 Gold, 13 Silver and 8 Bronze.

In addition to "home grown" athletes others have joined our development programme from a range of clubs; Chester, Evesham, Durham, Hereford, London, Northwich, Nottingham, Southampton, Warrington and many other clubs, schools and universities across the country. Many gain GB selection.

Whilst pulling on a Leander vest is no guarantee of success the support you will get to help you achieve your aspirations is unparalleled.

Support Services

The Club provides considerable support to its rowers. The following are some of the support services we provide.
