Acknowledgement

The ARA is grateful to the Water Safety Working Group for their work in compiling this document, and to the many other individuals and organisations who have contributed advice, guidance and comment. We would particularly like to acknowledge the considerable and valued input from the late Tim Hooper.

We would like to thank the following for permission to reproduce photos: Marie-Christine Coassin; Tim Cullen, Image Conscious; Steve Linderidge, Ideal Images; Chris Morris; Thomas Smith Photography; Stephen Tancock

The additional safety guidance referred to throughout Row Safe is available from the ARA website. Look for the ARA Row Safe symbol at www.ara-rowing.org
