

A Club For All Workshop

This workshop identifies the benefits of opening up your club, to include a wider membership base - meaning more coaches, players, officials and increased revenue, improved eligibility for lottery funding, and quality ratings such as Clubmark; whilst ensuring the involvement and support of the local community.

By the end of the workshop you will be able to:

- Explain what “sports equity” means.
- List the benefits of sports equity for your sports club or organisation.
- Identify equitable and inequitable practice.
- Identify key equity challenges for your sports club or organisation.
- Identify the steps you may need to take in your own club or organisation to start a basic action plan for equity.
- Identify organisations that can help provide further guidance on sports equity.
