

Funding For Your Club Workshop

Whatever the needs of your club - a new club house, drainage for the old pitch or strips for the juniors, this workshop will inspire and guide you to choose the right funding path to support its aspirations

By the end of the workshop you will be able to:

- Unravel the complexities of various funding opportunities, including grants and sponsorships
- Discover why many grant applications are rejected and learn to avoid common pitfalls
- Gain confidence to put together a successful fund-raising project
- Find out if achieving CASC or charitable status would help to free up extra cash
- Come away with lots of ideas on how to raise money for numerous projects
- Be inspired to advance your club
