The Airport is approximately 20km northwest of Belgrade City Centre, bus transfer is available. Mini Bus line A1- direction A from the airport to Slavija Square (Hotel) terminal. There is a local bus line 72, every 30 mins, this goes to Zelenic Venac, tickets can be bought at newstands which are cheaper than on the bus, this journey takes longer and stops more.

The address of the Belgrade site is indicated as Ada Ciganlija «Street 10». A GPS navigation system will not respond to that. It is recommended to enter the following street: **Radnicka 1 (lowest number) 11030 Belgrade** (it is the closest street nearby the actual compound).

## The Rowing Lake:

Ada Ciganlija Regatta course is situated on Sava Lake which is located in the heart of Belgrade, 5km from the city centre. Ada Ciganlija is a river island, artificially turned into a peninsula. The lake is 3000m long and 250m wide. The course is situated in a southwest-northeast direction.

The rowing lake “Ada Ciganlija” (Sava Lake) is about 4km west of downtown Belgrade. The regatta is on the south side of the lake. It has recreational facilities on both sides of the lake- playgrounds and beach cafes, there is also a biking road around it. If traveling by car head west on E763 (19 & 22) until venue is signposted.

## What to do:

The old town is easily covered on foot and essentially covers Belgrade's historic core, with museums and theatres and there are many hotels and restaurants and cafes in this area. Close by is the bohemian quarter of Skadarlija, with cobbled streets and restaurants serving national cuisine. Don't miss St Sava Cathedral which has been under construction, on and off, since 1935, or the Royal Palace, home of the Serbian royal family.
