3. On the GO the crew enter their boats with support of boat holders.

# Traffic Pattern Beach FINISH

## Notes:

- Always be under full control - THINK penalties.
- Boat holders move boats away from other incoming crews to make space for incoming crews
- Sin bin for penalties – look for number or official waving at you!

1. Crews round last turning point.
2. Arrive on the beach under control and runner runs to cross the finish line.
3. Remaining crew and holders move the boat out of the arrival zone.
4. Runner waits out any penalties in sin bin before crossing line.
