

The GB's women's four racing at the 2017 World Rowing Championships

TAKE YOUR ROWING TO THE NEXT LEVEL!

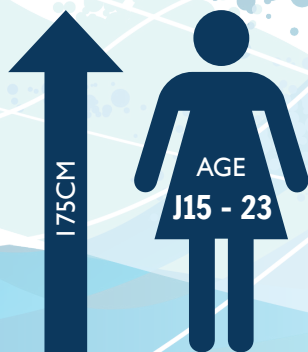

WOMEN'S TRAINING DAYS!

British Rowing is holding a number of Women's Training Days to work with rowers in clubs who show the potential to be the future stars of the GB Rowing Team.

On each of the training days, you and your coach will get to work with our England Talent Pathway Team to learn about how you can work together to reach your full potential.

If this sounds like you, sign-up to one of British Rowing's Women's Training Days and see where rowing can take you. Head to the England Talent Pathway page on britishrowing.org.
