 - c. On request, errors made by competitors may be rectified at the Organising Committee's discretion. Any such requests must be sent by email to seniorentries@britchamps.org by 12:00 on Wednesday, 12 June 2019. Responses to such requests will only be available after this time.
 - d. If a crew scratches before the Regatta and this makes a major change to race timings, this information will be posted on the website as soon as possible. It is a competitor's duty to check for updates.

5. The Draw Process

- 5.1. The draw will be co-ordinated from British Rowing Head Office, 6 Lower Mall, London W6 9DJ on Tuesday, 11 June.
- 5.2. No details will be disclosed before 22:00 on Tuesday, 11 June when the following documents will be published: Provisional Timetable, List of Competing Crews (including athlete names), List of Competing Clubs & Colours and Event Information (including safety instructions). These will be published on the website www.britishrowing.org and will be emailed to all pre-competition contacts who have entered crews.
- 5.3. Enquiries regarding the draw should be made by email to seniorentries@britchamps.org including your full contact details.

6. Making Changes to Entries

- 6.1. Crew changes must be notified to the Entries Secretary before the crew goes afloat, in accordance with the Rules of Racing. Crews must use BROE to notify substitutions prior to the Regatta; the system will be open from 12:00 on Tuesday, 11 June until 09:00 on Friday, 14 June. After this time, changes must be notified in person at the Registration Office (open from 16:00 on Friday, 14 June), with details of the substitute's registered club, name, date of birth and Racing Licence number as recorded by the relevant Great Britain Rowing Body.

- 6.2. Crews that scratch before the Regatta should scratch on BROE or inform the Entries Secretary directly by email. Crews scratching from an event at the Regatta must inform the Entries Secretary in the Registration Office. Crews that have scratched cannot be reinstated.
- 6.3. A representative of every crew must confirm its intention to race to the Entries Secretary at the Regatta, at least 60 minutes before the time of the time trial in the event for which it has been entered.
- 6.4. Crews that make a substitution that no longer qualifies the crew for the sub-class originally entered will automatically be moved to the Open or Women's main class in that event.
- 6.5. Withdrawal after a crew's time trial will be allowed if notice is given to the Entries Secretary and there are acceptable reasons.

7. Racing Format

Subject to the size of the entry and the provisions of paragraph 9.4, the following racing format will apply:

- 7.1. **Time Trials** - The first round will be a 1900m time trial with crews grouped by boat type.
- 7.2. **Semi-Finals** - After the time trial all boats will be ranked; crews 1-12 will be seeded into semi-finals A/B, crews 13-24 will be seeded into semi-finals C/D etc. Racing will be side-by-side over 2000m. Adjustments will be made to avoid one-boat row-overs. Should the size of the entry dictate that this racing format cannot be completed in the indicative timetable, the Organising Committee reserves the right to rank crews to minor finals.
- 7.3. **Finals** - The first 3 from each semi-final A/B will progress to final A; positions 4, 5 and 6 will progress to final B. A similar progression will apply to the semi-finals C/D etc. Racing will be side-by-side over 2000m.
- 7.4. **Para rowing events** - The first round will be a 1000m time trial with crews grouped by class. This will be followed by side-by-side 2000m finals, which will be seeded from the time trial on boat speed independent of class (e.g. a PR1 Ix may race in the same 2000m final as an PR3-PD Ix). Medals will nevertheless be awarded for each of the sub-classes.
- 7.5. Should the size of entry exceeds the time available, the Organising Committee reserves the right to reduce the number of semi-finals and/or finals.

- 9.5. Crews that fail to confirm their entry to the Entries Secretary at least 60 minutes before the time of the first time trial in the event for which they have been entered might not be permitted to start. Those that have confirmed but then fail to appear at the Start for any of their races in the event may be disbarred from other events in the Championships.
- 9.6. Crews that do not make weight, or make a substitution that no longer qualifies the crew for the sub-class originally entered, will automatically be moved to the Open or Women's main class in that event.
- 9.7. The Organising Committee reserves the right to exclude any crew or sculler from further competition in an event if it does not show sufficient competence in either attaching to the Start pontoons or progressing down the course during a race. This is applied in the interests of safety and fairness to other competitors.
- 9.8. To win a medal a crew must beat another crew, except for gold in an event from which all other crews have withdrawn. Events with fewer than three entries at the close of entries may be withdrawn.
- 9.9. All winners' identification shall be confirmed. Winners who cannot confirm their identity shall not receive any crew or individual prize until their eligibility has been confirmed.

These photographs and videos may be used on websites and social media channels of the Championships or by British Rowing and/or their partners. By entering the Regatta, competitors and those responsible for them consent to this.
- 10.2. Competitors and those responsible for them should be aware that other, nonofficial photographers may operate at national sporting events and the subsequent photographs or videos may be freely used in print, digital media or elsewhere, over which the British Rowing has no control.

- 10.3. Coaches, responsible adults and competitors agree that by entering competitors they have made the competitors and their parents/guardians (where in loco parentis) aware of the above two paragraphs.
- 10.4. In addition to the above, the event may be streamed live on the day of the event and the footage may also be shared with the media and press. Coaches, responsible adults and competitors agree that by entering the competition, they have made their athletes and their parents or caregivers aware of this and that further they consent to this.
