

## Acceptable Use Statement for Webinars

British Rowing encourages juniors to participate in its online training. However, we recognise that relevant safeguards need to be put in place so they remain safe while participating.

We ask that all parents/carers spend a few minutes to read through and discuss this statement with their child and ensure they understand their responsibilities:

As a participant in rowing who is under 18:

- I will be responsible for my behaviour during this webinar, including the content I access and share and how I conduct myself.
- I will not share material that could be considered threatening, offensive, upsetting, bullying or that is illegal.
- I understand that I should only use the chat function to participate in conversations or ask questions and should not use it to open communication with individual members of staff or coaches
- I understand that the webinar will be recorded including the chat function, and that any issues, involving my behaviour online may need to be discussed by my coach or other official at my rowing club or by British Rowing.

I understand that I must obey the basic rules of online safety and I agree that:

- I will not give out any of my personal information online (such as name, age, address or telephone number), or that of anyone else
- I will not share my passwords with anyone else
- I will not arrange to meet someone that I have met online unless accompanied by a parent/carer.
- I understand that these rules are designed to keep me safe, and if they are not followed my parents may be contacted.

If I have a problem online, I am aware that:

- If I am experiencing bullying behaviour or abuse online, I can contact my Club Welfare Officer.
- I know I can contact Childline on 0800 11 11 if I have any worries about something I've seen or experienced online.

If you have any questions or concerns you can also contact the Lead Safeguarding Officer at British Rowing by emailing [LSO@britishrowing.org](mailto:LSO@britishrowing.org)
