## Responsibility of Clubs

It is a condition of entry to **British Rowing Virtual Championships** that any crew that includes junior athletes shall have a responsible adult present. The responsible adult, who must be over the age of 18, must be named on the entry form and a current mobile telephone number for that person must be provided.

The named responsible adult is responsible for the welfare, safety and appropriate supervision of their entered athletes.

All participants must abide by British Rowing Rules of Racing and Codes of Conduct, as well as the BR Safeguarding Policy and are expected to demonstrate good sportsmanship and conduct at all times.

### **Volunteers who are under 18 (Young Volunteers)**

Volunteering can be a great way for young people to learn and develop new skills and gain experience for their future employment. Volunteers are considered a vulnerable group and therefore measures should be put in place for their safe recruitment and participation. Please see BR's safe recruitment guide on the website for more information.

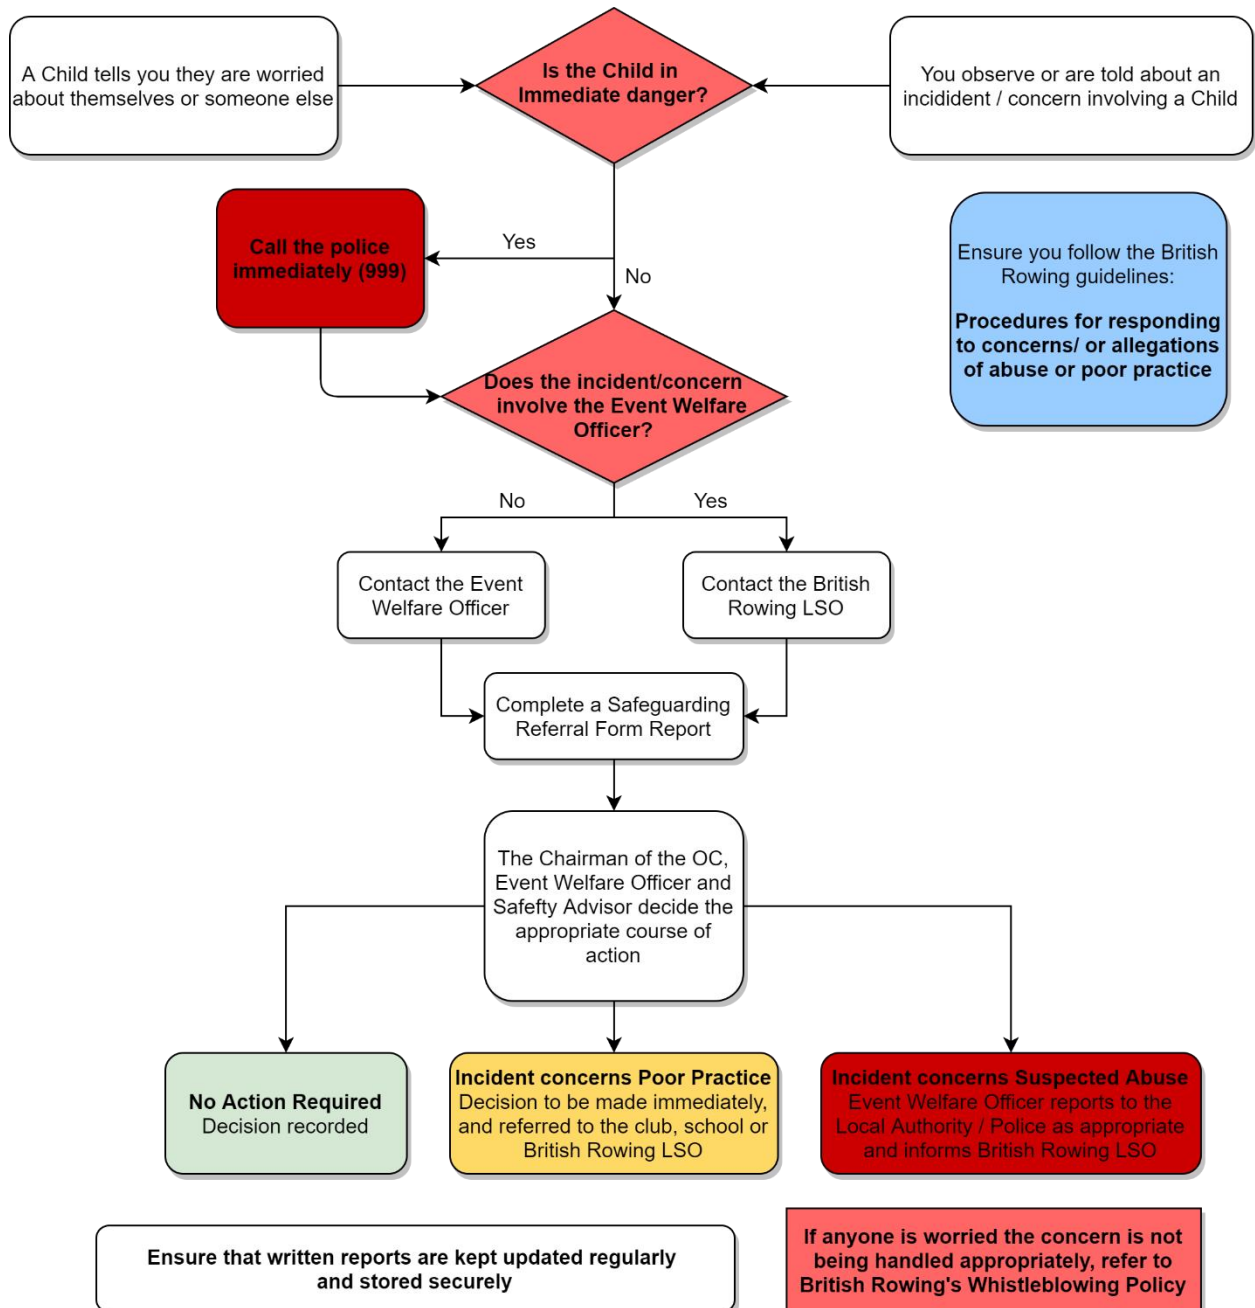

Before accepting them, the Organising Committee must ensure that Young Volunteers:

- agree to the British Rowing Codes of Conduct;
- provide written agreement from their parent/carer that they may carry out the responsibility they have been assigned;
- are supervised at all times by at least one adult (including an Official) who holds a DBS check and has undergone appropriate Safeguarding training;
- know their own responsibilities in relation to safeguarding, and how to report any concerns they have or become aware of;
- are not given responsibilities that may put someone at risk of harm e.g. sole supervision of other juniors or lifting heavy equipment.

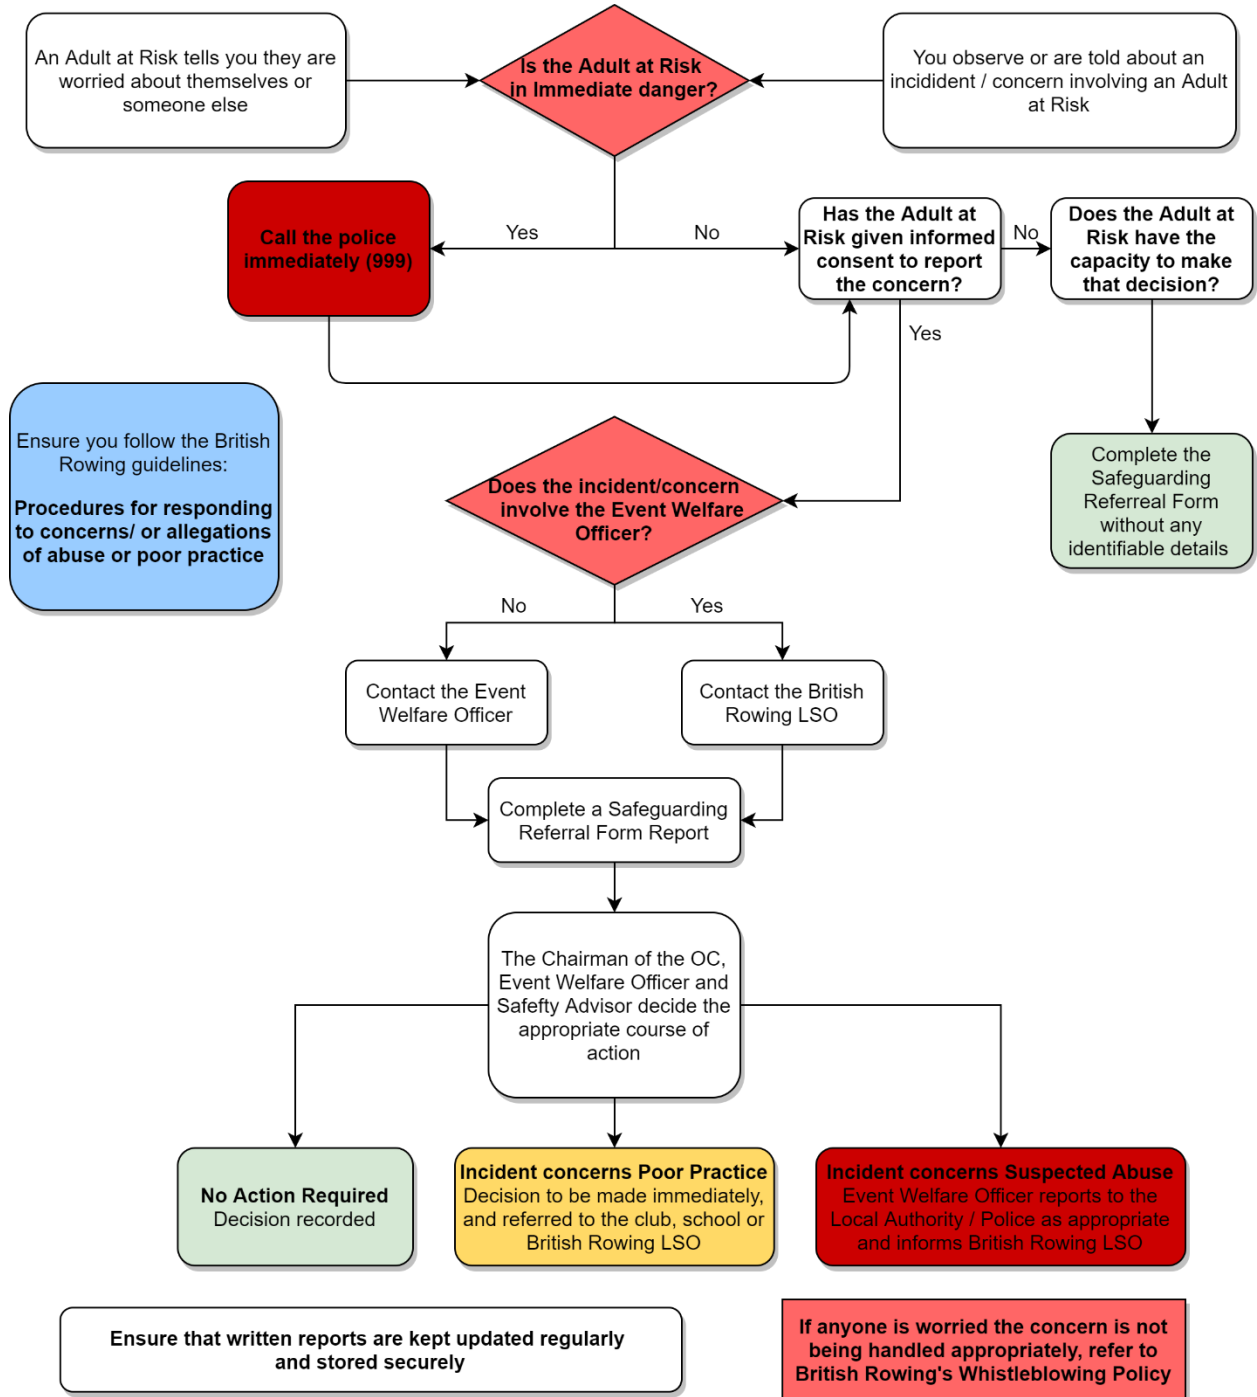

The OC should ensure that appropriate liability insurance is in place to cover young volunteers.

## Reporting structure for concerns or allegations at British Rowing Virtual Championships

Reporting procedures concerning an adult at risk:

## **DBS checks, access to young people or their contact details**

The Entries Secretary and Registration personnel should not hold any contact details for young people and do not need to be DBS checked. DBS disclosures of the Event Welfare Officer shall be checked.

## **Photography and publicity**

The OC recognises that at a sports event such as the **British Rowing Virtual Championships** many parents and other supporters will wish to take photographs and all participants should be aware of this.

The OC may approve photography by commercial organisations and these professional photographers will be asked to display a badge to the effect that they are permitted to take photographs. The OC will provide the professional photographers with a copy of British Rowing Photography Policy which they are expected to sign and follow.

A copy of the British Rowing Photography Policy will be available on the British Rowing webpage: <https://www.britishrowing.org/about-us/safeguarding/guidance-documents/>.

## **Live Streaming**

The purpose of any live streaming must be to promote a positive image of rowing, and its competitors, officials and spectators. Live streaming should promote the inclusivity and diversity of rowing, and it is important that we reduce any opportunities which could be open to misinterpretation or abuse.

The OC will ensure that any company engaged for the purpose of livestreaming provides the Event Welfare Officer with an up-to-date safeguarding policy which also takes into consideration:

- Positioning of cameras: this must respect the dignity of any individual
- Promote safety: cameras should be redirected away from incidents to avoid any footage which could later be kept and used for the purpose of cyber-bullying

Competitors using a webcam to contribute to live-streaming should ensure:

- your location cannot be identified;
- use of language and body language is respectful and appropriate for spectators of any age;
- the location is a communal or outdoor space such as a study or dining room and never a bedroom or other private space;
- you are appropriately dressed with full rowing kit;

- unwanted or inappropriate imagery and personal items (such as family photographs) are not visible. Remember that mirrors (or even windows) can display items or family members you are not expecting to be seen;
- no family members, particularly children are visible.

### **Monitoring**

This policy will be reviewed a year after development and then every three years, or in the following circumstances:
