

GB ROWING TEAM PARALYMPIC PROGRAMME 2022 SEASON ADVANCED NOTICE

The 2022 Season marks the first season of the shortened Paris Paralympiad where we will look to bring these programmes closer together while working to balance the following important factors:

- The need for recovery of any returning members of the Tokyo 2020 Paralympic Team
- Providing opportunity for members of the Development and Talent programmes to demonstrate their potential to progress towards Paris 2024 and LA 2028
- Laying the foundations of a team that can step up to qualify boats in the 2023 Season with only 2 seasons of preparation in contrast to the usual 3 seasons.
