WELCOME FROM JIRR CHAIRMAN, LUKE DILLON

It gives me great pleasure to welcome every one of you to the 2022 Junior Inter-Regional Regatta. Before you get onto the water today, you should already be proud of your achievement, being selected to represent your region. For many, the JIRR is the start of a rowing career, providing a stepping stone to representing not just your region but perhaps in the future your country. The JIRR always enjoys excellent racing, having the best of the best crews from each region. It is essential, though, not to lose sight that the sport is all about having fun. So don't forget to enjoy your day's racing regardless of the result.

This year is particularly special. As one of the earliest events in the racing calendar, the JIRR also fell victim to the pandemic right at the start. With a year cancelled due to weather and our last two event dates being disrupted by Covid restrictions, this will be the first JIRR since 2018 to have run at Nottingham. British Rowing and the Organising Committee are delighted that we can get the event back on the water.

In 2017 the Committee introduced the Martin Humphrys JP Cup, the criteria for which are explained in full on [page 7](#). We are delighted this year to have our Vice President Martin at the regatta to present the cup which was won for the first time in 2017 by WAGS & Wales, claimed in 2018 by Northern and is now again up for grabs by the 6 eligible regions being East Midlands, Northern, Thames South East, Wessex, West and Yorkshire. The Committee hopes that this will encourage even better racing, knowing that every race, boat and competitor matters.

I would like to take this opportunity extend my thanks to the many volunteers and staff that make the JIRR possible, the umpires, marshals, launch drivers, the stakeboat volunteers from Nottingham & Union BC and Trentham BC, Salve Medical and Northern Exposure Rescue, as well as the staff of both the NWSC and British Rowing. I would also like to thank the regional rowing councils without whose generous financial support the event would not be able to run. Finally I would like to congratulate Molly from Henley Rowing Club (Thames Upriver) who won the T-Shirt competition with her striking design.

On behalf of the Committee I wish you every success at the Regatta and for the rest of the racing year!

A handwritten signature in black ink that reads "Luke". The signature is written in a cursive style with a long horizontal line extending to the right.

PRESENTATION OF TROPHIES AND MEDALS

The region with the highest total points will be awarded the Di Ellis Shield. There are two cups for the regions with the highest points in the men's and women's events, plus three further trophies, which are explained below.

The Di Ellis Shield was named in 2008 in recognition of the contribution of Dame Di Ellis DBE to our sport. The trophy for the women's events was named in 2012 after Margaret Marshall who passed away in 2012 after a lifetime of service to rowing and to this Regatta. The trophy for the men's events was named in 2013 in recognition of Ann and Brian Colborne's many years dedicated to our sport. The shield and cups were donated by British Rowing in 2008.

In 2016, two trophies were added: the Nigel Smith Claret Jug for Men's Eights, which was donated by the Thames Regional Rowing Council in memory of Nigel Smith; and the CUWBC Rose Bowl for Women's Eights which was donated by Cambridge University Women's Boat Club.

In 2017, the Regatta announced the institution of the Martin Humphrys JP Cup, which was donated by members of the Organising Committee in recognition of Martin's time as Chairman of the JIRR. This cup will be awarded to the highest placed team across all events with only those teams that in the previous Regatta were placed overall between 7th and 12th inclusive being eligible. This year, the eligible teams are: East Midlands, Northern, Thames South East, Wessex, West and Yorkshire.

Competitors from the first, second and third crews in each event's 'A' Final will each receive a gold, silver or bronze medal, which will be presented at the medal pontoon immediately after each 'A' Final.

T-SHIRT DESIGN

Each year a competition is held to design a logo for the team t-shirts and the cover of this programme. The winner receives a voucher from Rock the Boat and a voucher for their club from The Rowing Centre / Swift Racing UK. This year's winning design is by Molly from Henley Rowing Club (Thames Upriver).

POINTS GRID FOR FINALS

Use this grid to keep track of team points during the finals. Regions are allocated points according to their place in the finals of each event, from 12 points for first place to one point for 12th place. The points are totalled and since 2009 three trophies have been awarded for the overall winners and the highest scoring men's and women's teams.
