

British Rowing Offshore Championships 2022

Notice of Competition

Introduction

British Rowing is committed to ensuring that rowing is an accessible sport which provides opportunities for enjoyment and achievement at all levels. To better achieve this goal, British Rowing understands the need to expand these opportunities to include all types of sea rowing.

World Rowing has been supporting the growth of coastal sculling based competitions, providing two formats - Endurance (Offshore) and Beach Sprint. British Rowing's Rules of Racing Offshore event uses three boats classes, solo (C1x), double (C2x) and coxed quadruple sculls (C4x+), whilst the Beach Sprint event has two; solo (C1x) and double (C2x).

The Offshore format is a race of 4-6km around turning points, with or without a beach start and finish.

With this in mind, British Rowing is continuing to develop the Offshore Championships event that will provide a pathway progression from the in-country offshore competitions to the World Rowing Coastal Championships. This also includes supporting the development of the format of racing including rules, event organisers, umpires etc.

Great Britain has secured the rights to host the World Rowing Coastal Championships and Beach Sprint Finals in 2022 to be held at Saundersfoot from 7-16 October. This will be the same location as the British Rowing Offshore and Beach Sprints Championships.
