Before the course/workshop you will receive an email with attendance details including the venue address where appropriate and a contact for the event. If you have any questions before this, please contact the Education and Training team education@britishrowing.org

2. Registration Forms

- You will be required to complete a registration form to include medical information when booking on to a course or workshop.
- For all courses and workshops (face to face and online):

  In order for British Rowing to accommodate any specific physical, learning or communication needs you must inform us of these. It is your responsibility to let us know of any needs you may have via the registration form or contacting education@britishrowing.org

  If you do let us know of any particular needs, we may need to contact you to discuss this further. We will also need to share this information with our Coach Educator Consultants in confidence.

- For UKCC Courses (face to face and online):

  If you are a L2, Club, Session Coach, Strength and Conditioning and L3 Senior Coach, and you have particular needs, you may be eligible for 'reasonable adjustments' to assist you during the course. It is important that you notify us any particular needs at the point of booking the course so that if applicable, we can support you in applying to 1°4Sport for a reasonable adjustment to assessments.

3. Allocation of Places

- Course and workshop places will be allocated on a ‘first come, first served’ basis, unless otherwise stated in the course application process. You must be eligible for the course for which you have applied.
