- d) is delivered to British Rowing in accordance with the Articles and any instructions contained in the notice of the General Meeting to which it relates.
75. British Rowing may require proxy notices to be delivered in a particular form, and may specify different forms for different purposes.
76. Proxy notices may specify how the proxy appointed under them is to vote (or that the proxy is to abstain from voting) on one or more resolutions.
77. Unless a proxy notice indicates otherwise, it must be treated as:
- a) allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting, and
 - b) appointing that person as a proxy in relation to any adjournment of the General Meeting to which it relates as well as the meeting itself.

Delivery of proxy notices

78. A Member who is entitled to attend, speak or vote (either on a show of hands or on a poll) at a General Meeting remains so entitled in respect of that Meeting or any adjournment of it, even though a valid proxy notice has been delivered to British Rowing by or on behalf of that Member.
79. An appointment under a proxy notice may be revoked by delivering to British Rowing a notice in writing given by or on behalf of the Member by whom or on whose behalf the proxy notice was given.
80. A notice revoking a proxy appointment only takes effect if it is delivered before the start of the Meeting or adjourned Meeting to which it relates.

Amendments to resolutions

81. An ordinary resolution to be proposed at a General Meeting may be amended by ordinary resolution if:
- a) notice of the proposed amendment is given to British Rowing in writing by a Member entitled to vote at the General Meeting at which it is to be proposed not less than 48 hours before the Meeting is to take place (or such later time as the chair of the Meeting may determine), and
 - b) the proposed amendment does not, in the reasonable opinion of the chair of the meeting, materially alter the scope of the resolution.
82. A special resolution to be proposed at a General Meeting may be amended by ordinary resolution, if:
- a) the chair of the meeting proposes the amendment at the General Meeting at which the resolution is to be proposed, and

- b) the amendment does not go beyond what is necessary to correct a grammatical or other non-substantive error in the resolution.
83. If the chair of the meeting, acting in good faith, wrongly decides that an amendment to a resolution is out of order, the chair's error does not invalidate the vote on that resolution.
