

Learner Appeals, Reporting and Handling Procedure

Learner Appeals Procedure for 1st4sport Qualifications

Learner Appeals, Reporting and Handling Procedure

Learners wishing to appeal must do so within 14 days of receiving the disputed assessment decision and are advised to keep copies of all documents relating to the appeal.

It is ultimately the responsibility of the Head of the Centre to ensure that this procedure is implemented, published and accessible to all personnel, learners and any relevant third parties. However, the Quality Assurance Team Leader is responsible for ensuring this information is fully understood by the relevant qualification team and by the learners who commence courses/programmes in their area.

In the unlikely event that learners exhaust this procedure and remain dissatisfied with the decision made by British Rowing, they may take their appeal to the Ist4sport Incidents and Investigations Manager. Where a learner remains dissatisfied after the appeal outcomes have been confirmed by Ist4sport, they have a right to take the matter to the appropriate regulator¹.

Stage 1

The appeal should be made, in the first instance, to the assessor who made the original assessment decision. At this stage, a verbal appeal is acceptable, although the learner is recommended to put the appeal in writing using the British Rowing Learner Appeals Form 1

The assessor should explain the rationale for the decision that is being disputed. The assessor is required to record an overview of the appeal and the outcome of the discussion and forward this to the British Rowing nominated Appeals Officer to retain with the centre's assessment and appeals records.

¹ Office of Qualifications and Examinations Regulation (Ofqual) in England, Council for the Curriculum Examinations and Assessment (CCEA) in Northern Ireland and The Welsh Government in Wales.

Stage 2

If learners remain dissatisfied with the assessment decision and wish to challenge the outcome of Stage 1, then an appeal in writing should be made to the British Rowing Appeals Officer within 14 working days of the Stage 1 process, using the British Rowing Learner Appeals Form 2.

The Appeals Officer will write to the learner to acknowledge receipt of the appeal within 10 working days and outline the course of action to be taken.

The Appeals Officer will carry out an investigation, ensuring that another appropriately qualified assessor and/or internal verifier is involved in the review, in addition to the relevant

Quality Assurance Team Leader specific to the qualification and will write to the learner within 20 working days with the findings and a decision as to whether the appeal was justified.

Learners are required to provide as much information as possible regarding the disputed assessment decision. When completing the Appeals Form 2, information should include:

- the date and type of the assessment (I.E observation of practical work, assessment of a set task/assignment, result of an internally assessed question paper)
- the name of the assessor involved
- a brief outline of the reason for the appeal
- any associated documents (I.E learner evidence, record of feedback from the assessor involved).

All Stage 2 appeals should be sent to:

The Appeals Officer:

education@britishrowing.org

Upon receipt of the appeal the Appeals Officer will ensure an investigation is conducted with a focus on a review and/or reassessment of the learner's work against the assessment criteria for the qualification, where this is required.

One of the following decisions will be communicated to the learner by the Appeals Officer in writing within 10 working days of the decision having been made. This will be to either:

- uphold the original assessment decision
- offer the learner an opportunity for a re-sit/reassessment free of charge
- overturn the original decision.

These decisions will be recorded on the Learner Appeal Form 2. The decision will also be communicated to the original assessor and also to any other individual who supported the investigation.

The Appeals Officer will also ensure that in the event of identification of any malpractice or maladministration, this is reported with recommendations for action to the awarding organisation. The awarding organisation will review the information and will report all outcomes to all relevant stakeholders.

Copies of records of appeals are retained with the assessment and appeals records. British Rowing will retain records of appeals for a minimum period of five years.

Your request should include a clear rationale as to why you believe that we did not properly or fairly apply our relevant processes, procedures, or policies and must include supporting evidence.
