

# British Rowing Junior and Senior Club Championships

## 19-22 July 2024

### Events

In addition to the existing events offered at previous British Rowing Junior Championships, the following Senior events will be offered in the first year of this combined competition. Due to the limited time available to allow a quality racing experience, not every boat class is offered for each level of Senior racing. However, it is hoped that the programme can be expanded in future years.

### Prizes

For Club and Beginner events, in addition to medals for the top three finishers, pennants will also be awarded to the fastest crews from small and medium-sized clubs (based on eligibility as defined by the Head of the River Race for open events and the Women's Eights Head of the River Race in the same year of competition).
