- c. A copy of the Entries List, Provisional Timetable and other information will be emailed to each crew's submitting BROE administrator and Pre-Competition Contact by Thursday, 10 July. You should ensure that this email address is monitored and up to date.
- d. You should check that you can comply with the Conditions of Entry (see Section 3).

4.4 Please note:

- a. Neither late entries nor late payment will be accepted.
- b. Errors made by the Organising Committee may be rectified in the published information.
- c. If a crew scratches before the Regatta and this makes a major change to race timings, this information will be posted on the website as soon as possible. It is a competitor's responsibility to check for updates.

5. The Draw Process

5.1 The draw will be coordinated virtually on Tuesday, 8 July from 13:00 onwards. 6. Making Changes to Entries

- 6.1 If, after entries have closed, an athlete is selected to represent Great Britain or race at the Home International Regatta and will therefore be unable to attend the Championships, that athlete may either be substituted without affecting the crew's overall substitution numbers, or the crew may be withdrawn from the event and a refund of the entry fee given. A form will be available on the website to notify the Entries Secretary in such cases (see Section 11).
- 6.2 Crew changes must be notified to the Entries Secretary before the crew goes afloat, in accordance with the Rules of Racing. Crews must use BROE to notify substitutions prior to their first race. Changes can also be notified in person at the Registration Office, with details of the substitutes.
- 6.3 Crews that scratch before the Regatta should scratch on BROE or inform the Entries Secretary. Crews scratching from an event during the Regatta must inform the Entries Secretary at the Registration Office. Crews that have scratched cannot be reinstated.

7. Racing Format

- 7.1 The Championships draw system aims to identify the fastest three crews in each event.

- b. The above timetable is not the order in which finals or former rounds will be run.
 - a. For each event, final A will follow immediately after final B (if required). The time interval between these finals will not be known until entries close.
 - b. Finals will run consecutively with no guaranteed time between boat types.
 - c. Time Trials, minor finals and semi-finals are likely to follow a similar pattern.

9. Regulations for Racing

- 9.1 The Regatta is run in accordance with the British Rowing Rules of Racing and Row Safe guidance together with its associated documents. Competitors and coaches are reminded that they should be familiar with these documents.
- 9.2. Entry fees will not be refunded if it should become necessary, for any reason, to abandon the Regatta or any event.
- 9.3. When it is not possible, for whatever reason, to complete the Championships or an event, the draw pattern may be changed or times from time trials, or semi-finals may be used to determine which crews will progress to later rounds, or to determine the medal positions or the plaque winners.
- 9.4. Crews that fail to confirm their entry to the Entries Secretary at least 45 minutes before the time of the first race (Heat or Time Trial) in the event for which they have been entered will not be permitted to start. Those that have confirmed but then fail to appear at the Start for any of their races in the event may be disbarred from other events in the Championships.
- 9.5. Should a substitute coach attend the Regatta they must contact Registration and register their mobile telephone number.
- 9.6. The Organising Committee reserves the right to exclude any crew or sculler from further competition in an event if it does not show sufficient competence in either attaching to the Start pontoons or progressing down the course during a race. This is applied in the interests of safety and fairness to other competitors.
- 9.7. To win a medal a crew must beat another crew, except for gold in an event from which all other crews have withdrawn. Events with fewer than three entries at the close of entries may be withdrawn.
- 9.8. Winners' identification may be checked. Winners who cannot confirm their identity may not receive any crew or individual prize until their eligibility has been confirmed.
- 9.9. It is the competitor's responsibility to keep themselves informed of any changes to the event programme.
- 9.10. Competitors are reminded that they must make their digital membership card with a clear up-to-date photograph available at the competition if requested by the

Organising Committee. If an up-to-date photograph is not required by their Great Britain Rowing Body, the competitor must bring a photographic identity document with them to the Regatta.

- 9.11. Coaches, responsible adults and competitors agree that by entering competitors they have made the competitors and their parents/guardians (where in loco parentis) aware of the above regulations.
- 9.12. Further competition documentation will be released on the website in due course, all competitors, coaches, responsible adults, parents & carers are expected to comply with such documentation.

10. Photography and Media

- 10.1 There may be photographers and videographers at the Regatta. Their photographs and videos (which may include live streaming) may be used on the website and social media sites of the Regatta or by British Rowing. By entering the Regatta, competitors and those responsible for them consent to this.
- 10.2 Competitors and those responsible for them should be aware that other, non-official photographers and videographers might operate at national sporting events and the subsequent photographs may be freely used in print, digital media or elsewhere, over which the OC has no control.
- 10.3 Coaches and competitors agree that by entering crews they have made the crew members and their parents/guardians (where in loco parentis) aware of the above two paragraphs.
- 10.4 The use of drones is not permitted under any circumstances at the National Water Sports Centre. Any club which is seen to be using drones for any purpose within the boundary of the venue risks disqualification of their crew being filmed or of all their crews at the Regatta.

11. Selection for the GB Rowing Team or Home International Regatta

- 11.1 The Organising Committee of the British Rowing Club Championships understands that crews or individuals trialling for the Great Britain Rowing Team (GBRT) or the Home International Regatta (HIR) may also wish to enter the Championships. Currently they have to enter the Championships before they know whether they are selected for the Junior GBRT or HIR as Championships entries are closed before the GBRT or HIR selection processes have been concluded.

- 11.2 To make sure clubs are not deterred from entering the Championships for financial reasons, any crew which includes an athlete who is selected as a competitor or spare for the current Junior GBRT or HIR may have its entry fee for the Championships refunded in full if, as a result of that selection, it then has to scratch from the Championships.
- 11.3 All requests for refunds must be received by the Entries Secretary by Wednesday, 16 July 2025.

12. Clean Sport Statement

- 12.1 The Regatta is committed to Clean Sport. All athletes, athlete support personnel and clubs are bound and must abide by the World Anti-Doping Agency Code. Athletes competing at the Regatta could be tested at any time, and by entering this competition it will be deemed that consent to be tested has been given.
- 12.2 To understand more about anti-doping, the rules and your responsibilities, go to <https://www.britishrowing.org/knowledge/cleansport/> or email cleansport@britishrowing.org.

13. Sustainability

At the British Rowing Championships, our aim is to deliver an enjoyable and competitive event while minimising the impact the event has on the environment. Linked to the [British Rowing Sustainability Strategy](#), we are taking steps in planning for the event to achieve this overall goal, including promoting active travel, providing facilities for recycling at the event, water bottle refill points and reviewing concessions and vendors for sustainability practices. Further details will be announced in the competitor's instructions.

14. Volunteers

Without the dedication of volunteers, competitions like this simply would not happen. It is an expectation that clubs that enter also provide volunteers to support the running of the regatta. Volunteer roles will range from collecting numbers through to timing and can be fitted around the individual's racing. To volunteer in general, please click [here](#) to register for the British Rowing Volunteer Hub, or contact us directly via champscrew@britishrowing.org.

15. Welfare & Safeguarding

The OC recognises their Duty of Care to ensure that all reasonable steps are taken to provide a safe environment for all those attending the Regatta in whatever capacity. The OC believes that the safety, welfare and wellbeing of all children and vulnerable adults is paramount. The OC has in place a comprehensive welfare and safeguarding policy which will be circulated prior to the Regatta and published on the website.

Each club is responsible for the welfare, safety and appropriate supervision of his/her team and is expected to know the whereabouts of his/her club at all times during the Regatta. Sufficient appropriate supervision should be in place within each team to accommodate the number of junior competitors attending the Regatta. Any safeguarding concerns **must** be escalated to the Regatta Welfare Officer immediately.
