1. As part of the Safety Audit process we ask clubs to upload relevant documented evidence into their Google Drive.

Guidance on the Google Drive can be viewed here, this includes guidance on how to obtain a link to your clubs Google Drive if you do not currently have access to it.

Please upload the safety documents that your club adheres to.

If your club operates out of a host clubs facility then please upload the safety documents your club adheres to, be that your own documentation or the documentation of the host club.

The documents that need to be uploaded(if applicable) are as follows:

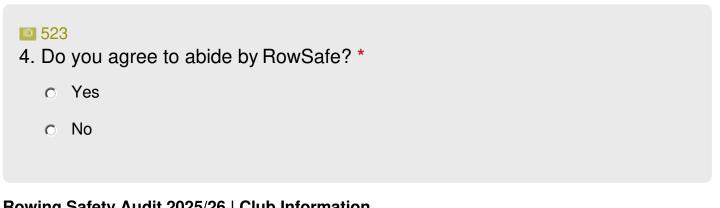

- Safety Policy
- Club Safety Plan
- Emergency Response Plan
- Risk Assessments for Club Activities
- Risk Assessments for Training Camps(if applicable)
- Any other relevant supporting evidence(if applicable)

Note: The Google drive is a useful depository for Club Safety Documentation accessible by current and future CRSA's, being amongst other things a club library and aid to CRSA succession.

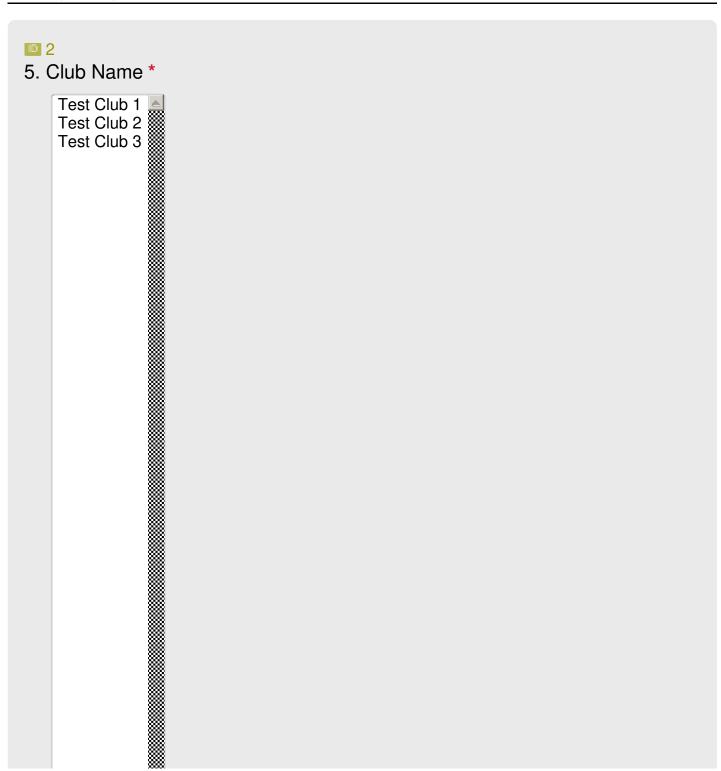

Please tick below to confirm that the documents relevant to your club have been added to your Clubs Google Drive.

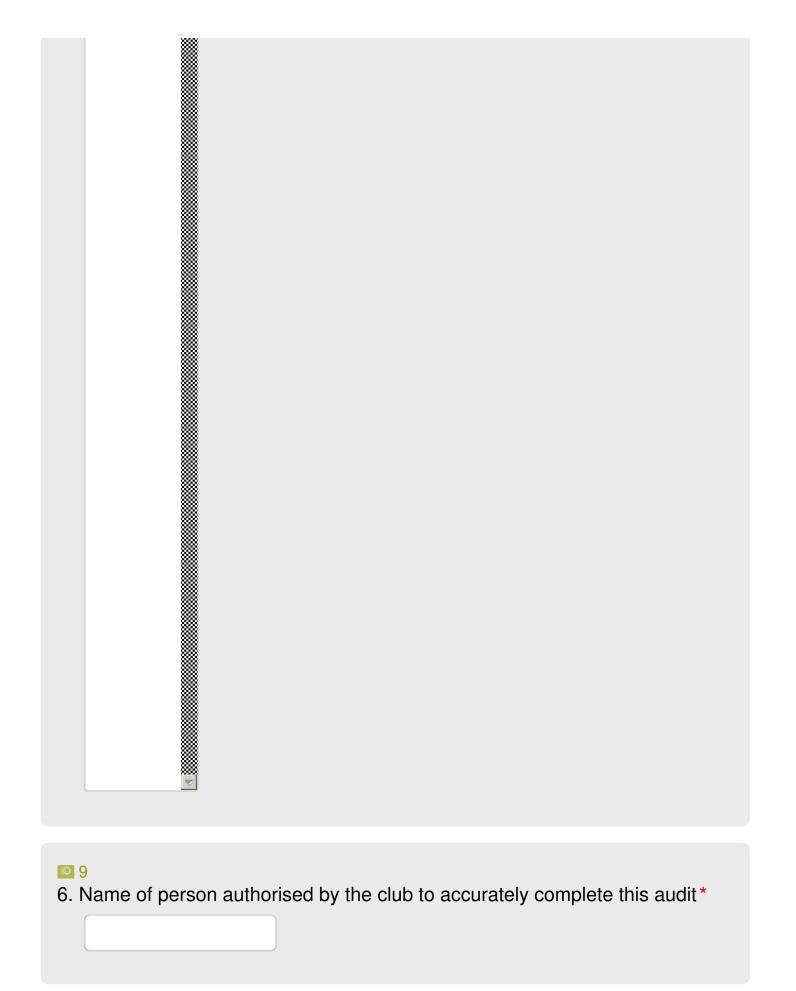

☐ I can confirm that the relevant documents have been uploaded into our clubs Google Drive
